# Objectives

- › Add meter and badge to records to indicate the suitability of the documents for long-term preservation
- › Define preservation guidelines and best practices
- › Implement as an independent/plugable module to Zenodo
- › Develop testing and validation

# Conclusion

- › **Main objectives accomplished**
- › **Future work:**
  - **Provide more details about the score**
  - **Provide feedback even before the record is uploaded**
  - **Improve evaluation methods**
  - **Add gamification techniques (?)**
